

Logging into the annual meeting.

1. When the link is added to our webpage on September 22nd, it will take you to a page that looks like this.

The screenshot shows the 'CU BALLOT' login page for Greylock Federal Credit Union. At the top is the logo and the text 'Welcome to the 2020 Greylock Federal Credit Union Annual Meeting'. Below this, it says 'Enter your member number or person number and either the last four numbers of your Social Security number (SSN) or the month and year (MMYY) of your birth date.' There are three input fields: 'Member Number or Person Number', 'Last four digits of SSN', and 'OR Month and year of birth date (MMYY)'. A 'Logon' button is at the bottom. A small copyright notice and 'Privacy Policy' link are at the very bottom.

2. Next enter your Member number in the top box. Note your member number can be found on your monthly statements.

This screenshot is identical to the previous one, but a red arrow points to the 'Member Number or Person Number' input field. To the right of the arrow, the text 'Enter your member number here.' is written in red.

3. Then enter the last four digits of your social security number into the second box - OR - enter your birthdate into the third box. Either will work.

This screenshot is identical to the previous one, but two red arrows point to the 'Last four digits of SSN' and 'OR Month and year of birth date (MMYY)' input fields. To the right of the arrows, the text 'Enter the last 4 digits of your SSN in the 2nd box or your birth month and year in the 3rd box.' is written in red.

4. When finished, click the Logon button.
